

ANJANA M V

CIVIL ENGINEER

anjanaanand309@gmail.com | +971 524638319 | www.linkedin.com/in/anjana-m-v | Dubai, UAE

PROFESSIONAL EXPERIENCE

Civil Engineer with 5 years of experience in planning and designing residential, commercial, and landscape projects, I have been responsible for preparing detailed engineering drawings, site plans, grading layouts, and construction documentation in accordance with relevant standards and project requirements. I have effectively coordinated with contractors and consultants for the timely submission, review, and approval of materials and drawings to ensure smooth and efficient project execution. In addition, I work closely with the site foreman to provide technical support, clarify design details, and resolve on-site issues, contributing to seamless construction progress.

PROFESSIONAL SKILLS

Project Planning & Management, Site Management and Coordination , Quantity take-off & BOQ Preparation, Construction Drawings , Document Control , Primavera P6 , AutoCAD, Estimation, MS Office Suite, Multilingual communication, English , Malayalam , Hindi.
